Nut Safe Environment

Attention Families: We are a NUT SAFE ENVIRONMENT! It is very important when bringing treats into the center that they are nut free and not processed in a place that uses nuts. Drop Off / Pick Up Children

There are two items we would like to bring to your attention per Child Care Licensing Regulations. Safety is priority! Please talk to an administrator if you have questions about the following:

1. Connect with staff when dropping your child(ren) off or picking up. The teacher must acknowledge their presence each day.

2. Siblings should not be left alone in the car without a legal adult in attendance. We recommend dropping off older children before infants and picking up infants before older children if your family is currently in both buildings at the Sumner campus.
