What to wear?

Students can wear the top of their choice (non-uniform) for the photo. Uniform bottoms will still be required unless a girl chooses to wear a dress. Keep in mind that students will not be changing after their photo and will wear their photo outfit all day. (including lunch and recess)

The following guidelines will be followed on picture day:

- electronic check-in to limit interactions and improve efficiency
- photographers will have a sensitization kit to clean camera stations and equipment
- photographers are required to wear face masks during the entire photo session
- students will wear their mask to photo area. During their individual session they will be advised to remove their face covering to capture their image. No students will be photographed with a mask on.

Free Dress Coupons

For those of you who still have remaining "free dress coupons" that were purchased from the auction last year, please redeem them by October 30, 2020.

A number of additional free dress coupons were distributed today for Plant Sale prizes that were missed when school went remote in March. These coupons went to students and classes who had earned prizes. These can be used now thru November.

Birthday Book Club

What is the Birthday Book Club? For \$15 your child is able to pick a book of your choice from a list of books to be included in our school library. Your child's name will be included on a book plate in the front of the book. Students will also be recognized at chapel with their book selection. This is a great way to celebrate their birthday! You will receive an email from the office during the month of your child's birthday. (Begins in September) Summer birthdays will be included as follows: June in December, July in January, and August in February.
