We are blessed with teachers who understand the needs of elementary children. Christ Lincoln Schools values the energy and excitement provided by our staff.

Journey in Time

“Jesus Christ is the same yesterday, today, and forever.”

This summer, students will enjoy a variety of activities and field trips designed to allow opportunities to “travel” through decades in history. Opportunities may include Multicultural explorations, Arts & Crafts, Guest Speakers, Educational Adventures, Field Trips and Discovery Workshops. Our daily Feed the Faith lessons will be based on **“A Kids’ Travel Guide: to the Armor of God”**.

Students will also participate in our traditional yearly summer activities!

- We will participate in the library summer reading program “Tails and Tales”, swim at Eden Pool, and enjoy many of the city’s parks and Nebraska State Recreation areas.
- We will also hope to visit the Lancaster County Fair, participate in Christ Lincoln’s Vacation Bible School “Rocky Railway” June 14-18, and grow healthy foods for our lunches and snacks!
