Principal Points

Thought for the week . . . May I never forget on my best day that I still need God as desperately as I did on my worst.

Tornado Awareness Drill

We will begin practicing our tornado drills beginning in April. In the event of a real tornado warning, we ask parents to wait until an all-clear has been issued to pick up children.

Child Drop Off and Pick-Up Reminders

Drop offs and pick ups can be very difficult and perhaps you're in a hurry. It is very important, however, to connect with your child's teacher at drop off and pick up times. We take temperatures, quickly discuss their morning and/or any other issues for the day. Staff need to know if someone else will be dropping off and/or picking up; this is important safety information. Try to avoid being on your phone at these times as well. Thank you for your cooperation!!

Warm Weather Shoe Wear

With warmer weather on its way, we recommend that children continue to wear closed toe shoes. However, sandals with ankle straps are acceptable, but please, no flip-flops or crocs as they are not as safe for children to run around in.
