Music Teacher

We are excited to announce that Carol McDaniel will be our part-time music teacher. Carol comes to us with an expansive music experience. She graduated from CUNE and received a Masters in Organ Performance. She has been an elementary music teacher, music director, organist for a variety of churches, and a professor for Concordia University-Irvine. Welcome Carol!

Lunch Prices

Due to the increased prices from our food suppliers, we will be increasing our student lunch to the rate of \$3.15 per hot/alternate student meal. However, we have received notification that for the 2021-2022 school year the State of NE will provide FREE lunches to our program for all elementary students. Milk will remain at \$.45 and an adult meal at \$3.75.

COVID Protocols - Message from Principal L'Heureux

You may be wondering about any potential pandemic-related protocols for the 2021-2022 school year. At this time, we do not know what, if any mandated protocols may be in place at the start of a new school year. Considering the recent changes to the DHM, it is our hope that we can return to many of the routine and "normal" practices in place pre-pandemic. We are going to ask everyone to continue to self-monitor. Anyone with a positive case or close contact would be required to follow whatever isolation/quarantine procedures the Health Department has in place. Again, we are hoping to return to as much of our normal and traditional procedures as possible. Watch for any additional communication via email or at the back-to-school open house prior to the start of the school year.
