Child Drop Off and Pick-Up Reminders

Drop offs and pick ups can be very difficult and perhaps you're in a hurry. It is very important, however, to connect with your child's teacher at drop off and pick up times. We quickly discuss their morning and/or any other issues for the day. Staff need to know if someone else will be dropping off and/or picking up; this is important safety information. Try to avoid being on your phone at these times as well. Thank you for your cooperation!!
