The Great Crunch Off!

October

The Christ Lincoln Schools Food program will once again be participating in the "Great Nebraska Crunch Off" during the month of October to celebrate Farm to School Month. States throughout the Mountain Plains Region hold a friendly competition to see which State can get the most "crunches" into a local apple, or other healthy local produce per capita. Nebraska has held the 1st place title for the past 3 years and here at Christ Schools, we are going to do our best to help keep that streak alive! Watch for "Crunch Off" highlights throughout October and think about ways you can incorporate healthy crunches at home!

ELEMENTARY NEWS

Elementary Upcoming Dates:

Sept. 16 - No School - Teacher Work Day

Mission of the Month

September

September's Mission of the Month is TrinityHOPE - Haitian Christian School Feeding Program. Christ Lincoln has been supporting the Christian School at Chincheron, Haiti for years through our support of TrinityHOPE. TrinityHOPE provides one nutritious meal a day for the students of the school - a meal that for many is the only meal they will get. Their mission is to feed the students' bodies so they can feed the Gospel message to the children's minds and hearts.

Our chapel offerings will go to TrinityHOPE. Thank you for your support.

Parent Volunteers Needed!

Monday, Wednesday & Fridays

"Many hands make light work." Our Food Service staff could use some helping hands with things like sweeping and wiping down tables between lunch groups. Could you spare an hour or two every week during the lunch hour (around 11-1:30) to help us out? We are looking for several parents who would be willing to sign up on a rotation basis to help out for an hour or more on Mondays, Wednesdays & Fridays. You could be a great blessing to our ministry! **Please reach out to Principal L'Heureux at mlheureux@christlincoln.org.**
