The Great Crunch Off!

October

The Christ Lincoln Schools Food program will once again be participating in the "Great Nebraska Crunch Off" during the month of October to celebrate Farm to School Month. States throughout the Mountain Plains Region hold a friendly competition to see which State can get the most "crunches" into a local apple, or other healthy local produce per capita. Nebraska has held the 1st place title for the past 3 years and here at Christ Schools, we are going to do our best to help keep that streak alive! Watch for "Crunch Off" highlights throughout October and think about ways you can incorporate healthy crunches at home!
