Core Essentials - November

This month's Core Essentials word of the month is Courage and the animal is a Mongoose. Most of us may not be very familiar with Mongoose, but these courageous animals are known for hunting dangerous animals including Cobras! This month we will focus on being brave enough to do what you should, even when we are afraid.

The Bible is filled with stories of Godly people who show courage in the face of great danger. Noah and his family were courageous when facing the storms and waters because they knew they were safe in God's loving hands. We know we can be courageous too when we are scared because Jesus is our Anchor!

Prepay Lunch Accounts

Elementary parents are asked to monitor their child's lunch account via FACTS. ([Here are the steps](#)) Please do not let the account go negative.
