### Core Essentials - November

This month's Core Essentials word of the month is Courage and the animal is a Mongoose. Most of us may not be very familiar with Mongoose, but these courageous animals are known for hunting dangerous animals including Cobras! This month we will focus on being brave enough to do what you should, even when we are afraid.

The Bible is filled with stories of Godly people who show courage in the face of great danger. Noah and his family were courageous when facing the storms and waters because they knew they were safe in God's loving hands. We know we can be courageous too when we are scared because Jesus is our Anchor!

## Prepay Lunch Accounts

Elementary parents are asked to monitor their child's lunch account via FACTS. ([Here are the steps](#)) **Please do not let the account go negative.**

## Special Veteran's Day Chapel

**Thursday, Nov. 10 - 8:45 am**

We would like to invite you to a special Veteran's Day chapel that will be led by our Third Graders to honor those who have or are actively serving in the armed forces. If you are a veteran, or if you know someone who is, please invite them to join us Thursday, Nov. 10 at 8:45 am in the Sanctuary for chapel.

## Alexa-what's for lunch?

The Christ Lincoln Schools lunch menu is now available on Amazon Alexa. Thanks to Andy Stumpf for getting this setup. Here is some information and helpful tips if you would like to give it a try. Amazon approved the new iteration of the Alexa skill that includes the new invocation (or wake phrase) "Alexa, ask C.L.S. menu what's for lunch today?" or you can ask for a specific day...."Alexa, ask C.L.S. menu what's for lunch Monday?" Although the skill is called Christ Lincoln Schools Menu... the invocation is C.L.S. Menu.
