Core Essentials - December

This month's Core Essentials word of the month is Joy and our animal is a Ladybug.

Joy seems a fitting word for the month of December. We sing about Joy in many of our favorite Christmas carols and hymns and we

reference how the lights, special gifts, and food can bring a sense of Joy during the Christmas season. But we also know that sometimes the holidays bring times when we don't experience Joy. Maybe it is because we are sick, or we have to miss out on a fun tradition because we have to be gone, or maybe we have experienced the loss of a family member. This month we will talk about how even when things don't go our way, or things are different and we aren't feeling happy, we can still have Joy in our hearts.

As Christians, we know true Joy isn't found in presents, lights, or even in those who are around us. The Joy of Christmas and every day is found in the Baby, born and laid in a manger, in less-than-ideal conditions. A special baby, the Son of God, who grew up and gave His life to save each of us granting us eternal JOY!

Alexa-what's for lunch?

The Christ Lincoln Schools lunch menu is now available on Amazon Alexa. Thanks to Andy Stumpf for getting this setup. Here is some information and helpful tips if you would like to give it a try. Amazon approved the new iteration of the Alexa skill that includes the new invocation (or wake phrase) "Alexa, ask C.L.S. menu what's for lunch today?" or you can ask for a specific day...."Alexa, ask C.L.S. menu what's for lunch Monday?" Although the skill is called Christ Lincoln Schools Menu... the invocation is C.L.S. Menu.

Champions Wrestling

Any student in grades K-5, who is interested in learning about wrestling or would like to continue to hone their wrestling skills is invited to sign up for the Champions Wrestling program. The program runs from Dec. 6 through March 23 and meets Every Tuesday & Thursday at the WCAP at Lincoln Lutheran from 6:30-8 pm. The cost is \$125. For more information including information about registration, check out the program's brochure [HERE!](#)
