Core Essentials - January

This month's Core Essentials word of the month is Knowledge and our animal is a Polar Bear.

For many of us, as we begin a new year, we may set resolutions to do a variety of things! Get healthy, read more books, or learn a new skill. All of these resolutions usually require us to learn some new Knowledge! This month we will be taking a look at how we gain Knowledge and why being a keen observer of our surroundings and world, becoming life-long learners and absorbers of knowledge is key to becoming a better person.

As Christians, we know true Knowledge or truth, can be found when we read the Bible. We believe that we have been gifted an amazing gift of God's Word. As the Creator of all things and the ultimate giver of all knowledge, we pray that God will lead us to the knowledge of Him and His truth. We can depend on God to give us wisdom and knowledge when we get stuck, or when we need an answer to our problems. When we spend time gaining knowledge of God, it is time well spent!
