## NEWS HIGHLIGHTS

### Plant Sale - TWO WEEKS Left!

*Sales accepted Feb. 23-March 28 - Pick up April 21 & 22*

We are off to a good start, but with just TWO WEEKS left, we need YOUR help selling to reach our \$60,000 goal, and earn the whole school special celebrations!

Keep selling - we know the weather hasn't been kind, but as we begin to get some warmer days make sure you hit up your neighbors! Have you posted on Social Media? Share the Christ Schools posts and add a personal note when you do! Or make your own posts, pics of your kids always get people to want to buy. Remind people this will benefit our WHOLE school, infants up to 5th grade!

Have Christ Lincoln alumni as friends? Make sure you reach out, they probably have fond memories of the plant sale and would love to support the school!

Know of people who don't garden, but would like to support your child's efforts? Cash donations can be made. Online there is an option to donate in \$5 increments, if someone wants to just give you a cash donation, please just write the amount, "CASH DONATION", and person's name on an order form and we will credit your child. You can include those donations with paper orders turned in on Tuesdays.

Thanks again for your support and for selling!

You could also surprise a family member or friend and have a basket of eggs delivered to their front porch! All you have to do is supply the kids (and maybe an Easter basket or two)! ## Core Essentials - March

This month's Core Essentials word of the month is FORGIVENESS and our animal is a Gecko.

In church, we are currently in the season of Lent. A time for each of us to take some time to reflect on our humanity and the grace that Jesus showed us by laying down his life to FORGIVE us all our sins!

We are called to be people of FORGIVENESS. We have been forgiven of all our sins and we are called to share that same forgiveness with those around us. In the Old Testament, Joseph had a strong reason to hold a grudge against his brothers who had sold him into slavery and wanted him dead. But he instead forgave them without an apology and saved them from certain starvation.

We can teach our children forgiveness by always telling them "I forgive you" when they say they are sorry. We should teach our children to not hold grudges against people, even those who maybe don't apologize. We can be examples of God's love showing the world that having an attitude of forgiveness is more powerful than always going for justice.

## Plant Sale Week Goal

### March 15-21

WE NEED YOUR HELP! We have fallen a little behind on our sales to be on track to reach our Big Goal of \$60,000. We know the weather hasn't been our friend and traditionally the last two weeks of the sale are our largest; HOWEVER, in an effort to help the kids achieve smaller, more reachable goal this week, we have set a mini-goal of selling \$15,000 JUST THIS WEEK! We challenged each child to sell AT LEAST \$100 this week to reach this mini-goal. If they sell \$15,000 this week they will get a PJ day on Friday the 24th! Please help your child make a plan to sell. See the list of ideas above. Thanks!!
