Our mission is to come alongside our families in modeling the faith formation that begins in the home. We are Lutheran, but we have many families here from a variety of faith traditions. We teach a Biblical Christian worldview that aligns with Lutheran teachings.

SACRIFICING NOTHING

We proudly offer families something different, a top-quality education that models Christ!

GROWING BEYOND!

EDUCATING THE WHOLE CHILD

We recognize that teaching the whole child means learning outside of a traditional classroom setting and beyond classroom subjects. We provide a variety of learning opportunities that develop the brain, body, and spirit of our students.

- Explore It! - a monthly program where students get to explore crafts, writing, running, and technology with our Staff!
- Field Trips - our classes regularly schedule learning opportunities outside of the school, from the Lincoln Symphony to Heritage School!

LOVE LEARNING LEARNING BEYOND

Learning beyond the
classroom!

- Camp Luther - 5th graders get the chance to grow together at Outdoor Education - Camp Luther.
- YMCA & Scouting - we strongly encourage our families to get their kids involved in sporting teams or scouting troops to broaden their horizons!
